Subject: And Justice for All Posters

In December 2015, you received a letter from the State Agency informing you that the revised "And Justice for All" posters are being redesigned and printed. The State Agency has received the new "And Justice for All" posters and will be mailing them to your Institution. If you are an independent center, you will receive one poster for your center.

If you are a sponsoring organization, you will receive one poster for your corporate office and one for each sponsored centers. Please distribute the posters to your centers immediately. The number of posters you receive will be based on the number of centers in our NC CARES database as of February 11, 2016.

Please be on the lookout for these posters. If you do not receive them by February 29, 2016, please contact your regional consultant.
