

Attention WIC Vendors

NC eWIC is coming.

Simple

No more paper!
The NC eWIC card will replace food instruments/cash-value vouchers when shopping for WIC-approved foods.

Fast

No more sorting!
Integrated systems will automatically verify WIC-approved items and deduct approved product purchases from the customer's WIC benefits balance.

Convenient

The NC eWIC card will work like a debit card at the checkout. Once the benefit balance is verified after the card is swiped, customers will enter their PIN to complete the transaction.
