MEMORANDUM

TO: All Child and Adult Care Food Program Institutions
Summer Food Service Program Sponsors

FROM: Arnette Cowan, MS, RD, LDN
Head, Special Nutrition Programs

SUBJECT: Free and Reduced Price Eligibility Data

Enclosed is the June 2007-2008 Free and Reduced Price Eligibility School Data. School systems are no longer required to report data based on October. Therefore, this is the latest data available from the Department of Public Instruction.

If you are sponsoring an after school "at risk" program, this data should be used to determine if the center is located in an area which the school is 50% needy. Also, this school data is used to determine Tier I eligibility for day care home providers participating in the CACFP. Lastly, this data is used to determine "area eligibility" for open sites in the Summer Food Service Program.

If you have questions, please contact your consultant.
