**MEMORANDUM**

**TO:** All Child and Adult Care Food Program Institutions

**FROM:** Arnette Cowan, MS, RD, LDN  
Supervisor, Special Nutrition Programs

**SUBJECT:** Nationwide Expansion of At-risk Afterschool Meals in the Child and Adult Care Food Program

The Healthy, Hunger-Free Kids Act of 2010 (the Act), Public Law 111-296, was signed into law by the President on December 13, 2010. The Act extends eligibility for at-risk afterschool meal reimbursement to all States participating in the Child and Adult Care Food Program (CACFP). The purpose of this memorandum is to provide guidance on the implementation of this expansion in CACFP.

Section 122 of the Act amends Section 17(r) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1766(r)) to extend eligibility for at-risk afterschool meal reimbursements to all States participating in the CACFP. Previously, reimbursement for at-risk afterschool snacks was available in all States; however, only 14 designated States were allowed to reimburse for meals, typically suppers, in afterschool care programs. Effective October 1, 2010, all institutions participating in the at-risk afterschool care component of CACFP are eligible to claim reimbursement at the free rate for up to one snack and one meal served to each eligible participant per day. At-risk afterschool meals and snacks must be served free of charge and are reimbursed at the applicable free rates (7 CFR §226.17a(n)). Regulations and guidance regarding the implementation of an afterschool meal program can be found at [www.fns.usda.gov/cnd/care/Afterschool.htm](http://www.fns.usda.gov/cnd/care/Afterschool.htm).
