

FY12 Agreement Addenda Section III: WIC Deliverable #4 - Promote Healthy Weights

4A. a. Percentage of children two to four years of age who received services from the health department and who, according to their Body Mass Index (BMI) for age and gender were at a healthy weight (BMI less than the 85th percentile but at or greater than the 5th percentile)

Numerator (Num) equals the number of children two to four years of age receiving services at local health department with BMI percentile of less than 85th but at or greater than the 5th percentile (Source: NC Nutrition and Physical Activity Surveillance System).

Denominator (Den) equals the number of children two to four years of age receiving services at local health department with BMI percentiles (Source: North Carolina-Nutrition and Physical Activity Surveillance System).
