MEMORANDUM

TO: WIC Vendors

FROM: Tysha N. Grays, Vendor Manager
Nutrition Services Branch

SUBJECT: Extension of the Effective Date for the Current WIC Vendor Manual

This memo is to inform you that the effective date of the *North Carolina WIC Program Vendor Manual* for October 1, 2018 to September 30, 2019 will be extended until further notice. As a result, you will continue to use the current manual after September 30, 2019 until you are provided with an updated version. The North Carolina WIC Program is in the process of revising the State rules for WIC and will not print an updated Vendor Manual until this process is completed. Therefore, vendors will not receive a new Vendor Manual at annual vendor training, but will be provided with one when the rules have been revised and the new policies have been added to the manual. A copy of the current Vendor Manual is available on the Vendor Connection web page at the following link:

Should you have any questions, please contact your Local WIC Agency. Thank you.
